**Order Items**

Line Item Code	Description	Quantity	Unit Price	Item Total
CB Preventive Maintenance	Factory Preventive Maintenance Package	1		

CES provides specific Preventive Maintenance programs which can be combined and configured to meet your individual site needs. All plans are administered by factory certified technicians that receive on-going training and certification.

Annual contracts are available on a monthly, quarterly, semi-annual, or annual basis depending on the type of equipment and/or manufacturer guidelines. Monthly budget billing programs are flexible and affordable.

\*\*\*These agreements will automatically renew for successive one (1) year terms thereafter (each Renewal Term). They can be canceled with a written Thirty (30) day notice prior to the end of the Term.

PMA977 - Site Assessment	Site Assessment PMA977	4	258.00	1,032.00
--------------------------	------------------------	---	--------	----------

Four Site Visit: Pool & Spa  
Commencing: February 2023, May 2023, August 2023 & November 2023

**CES Site Assessment Preventive Maintenance Program**

This On-site Preventive Maintenance Program includes:

50-Point site assessment service for a single pool, spa, or water feature, complete water testing using a Digital Photometer, and a comprehensive review of all operating parameters including DOH-required instrumentation, mechanical equipment check, and DOH code compliance check. Includes suggested measures, Action Items, & Summary. Also includes full training on all equipment and all aspects of pool operation.

\*\*\*These agreements will automatically renew for successive one (1) year terms thereafter (each Renewal Term). They can be canceled with a written Thirty (30) day notice prior to the end of the Term.
