ARTICLE XIV
MAINTENANCE AND REPAIR

A. The Association, except as otherwise specifically provided herein, shall maintain, repair and replace at the Association's expense:

1. All portions of the Common Elements and all improvements and personal property thereon.
2. All conduits, pipes, lines, mains, ducts, plumbing, wiring and other facilities for the furnishing of utility services to the Condominium not within a Unit, and those within a Unit but serving more than one (1) Unit.
3. All lawns, trees and landscaped areas, including such areas located within the Unit boundaries, shall be maintained by the Association.
4. Roof cleaning and painting of trim on all dwellings constructed on the Units in this Condominium; provided, however, that the responsibility for roof repair and replacement shall be the Unit Owner's.

To maintain, repair and replace, at his own cost and expense all portions of his Unit (except the portions to be maintained, repaired and replaced by the Association), and all improvements located thereon, including the maintenance of the exteriors of all dwellings constructed within the Unit boundaries, including exterior painting and the maintenance, repair and replacement of the roofs of the dwellings.

The Unit Owner shall pay the Association for all such maintenance, repairs and replacements immediately upon demand.

ARTICLE XV
AMENDMENT OF DECLARATION

A. This Declaration may be amended at any time by affirmative vote of two-thirds (2/3) of all voting rights of all Unit Owners in this Condominium, except that provisions relating to percentage of ownership and sharing of Common Expenses, rights of Developer, termination of the Condominium and the voting rights of Members may be amended only with the written consent of all persons adversely affected thereby. The Articles of Incorporation and Bylaws may be amended by a simple majority vote of all voting rights of all Members of the Association and to that extent this Declaration may be amended without a two-thirds (2/3) vote. No amendment shall be effective unless it be in writing, executed by the President or Vice President and attested by the Secretary of the Association with the formalities required for a conveyance of real property in the State of Florida and

O. R. 1607 PG 1363

recorded in the Public Records of Sarasota County. It shall not be necessary for the individual Unit Owners or holders of recorded liens thereon (except institutional first mortgage holders as herein provided) to join in the execution of any amendment, and the execution of any amendment by the President or Vice President and attested by the Secretary of the Association as provided herein shall be prima facie evidence that the amendment was duly adopted in accordance with the requirements of this Declaration, the Articles of Incorporation and the Bylaws. Until such time as Developer shall have conveyed title to all Units of all sections of The Inlets, no amendments to the Declaration of Condominium, Articles of Incorporation or Bylaws shall be effective without its written consent.

B. By acceptance of a deed to a Condominium Unit, the grantee agrees for himself, his heirs, successors and assigns, and the holders of any mortgages, liens or other interests in or to any Unit, that Developer shall have the right and irrevocable power to amend this Declaration and the exhibits recorded herewith as may be necessary or desirable from time to time prior to the conveyance of all Units in all sections by Developer to (a) identify, locate and dimension any Units which are not completed at the date of this Declaration; (b) to correct any errors or omissions in the Declaration or any exhibits hereto; (c) to make the documents comply with the requirements of any statutory provisions or any state or federal rules or regulations or county ordinances; or (d) to gain acceptance or approval of any institutional mortgage lender or title insurer. Such amendments shall be executed by the Developer with written consent of all institutional first mortgagees and the joinder or further consent of individual Unit Owners or holders of recorded liens or other interests therein or thereon shall not be required. All amendments shall take effect immediately upon recordation in the Public Records of Sarasota County.

ARTICLE XVI
AMENDMENT TO PLANS

A. Developer reserves the right to change the original construction design of the dwellings to be built on the Units and to alter the boundaries between the Units so long as Developer owns the Units so altered. No such change shall increase the number of Units nor alter the boundaries of the Common Elements without amendment of this Declaration.

B. The Amendment of this Declaration reflecting such authorized alteration of plans by Developer need be signed and acknowledged only by the Developer, and need not be approved by the Association, Unit Owners, lienors or Mortgagees, whether or not their joinder is elsewhere required for other amendments.

ARTICLE XVII
TERMINATION OF CONDOMINIUM

A. The above-described property may be removed from the provisions of this Declaration at any time by a vote of eighty percent (80%) of the voting rights of all Unit Owners in this Condominium, unanimous written consent of all of the Institutional Mortgagees, and written consent of Developer until such time as Developer shall have conveyed title to all Units of all contemplated sections of THE INLETS, by an instrument to that effect signed by the President or Vice-President and Secretary of the Association with the formalities of a deed and duly recorded in the Public Records of Sarasota County.

O.R. 1607 PG 1364

B. In the event the Condominium is to be terminated, then all Owners of Units will immediately convey all their right, title and interest to their respective Units to the bank trustee selected by the Board of Directors to be held by such trustee in trust. The recording of each such conveyance to a trustee in the Public Records of Sarasota County will have the immediate effect of releasing all liens upon the respective Unit and shall cause their instantaneous transfer to that Unit Owner's share of the Common Surplus to be subsequently distributed by the trustee as provided herein. Said trustee shall collect all assets of the Association which are allocable to the Units in this Condominium and which may remain after the Association pays its liabilities, and shall effect a public or private sale of the Condominium Property by whatever means the Association Board of Directors shall deem best, for the highest and best price, for cash or terms, as soon as practicable, consistent with local real estate market conditions. After conveyance of title to the purchaser, free and clear of all liens and encumbrances, and after payment of reasonable trustee's fees, appraiser's fees and other costs reasonably incurred, the trustee shall apportion the remaining funds in its hands among the Units in accordance with the respective values of the Units in this Condominium as determined by three (3) experienced real estate appraiser selected by the Board of Directors. The trustee shall distribute each Unit's share of said funds jointly to the record title Owners of each Unit and the record owners of any mortgages or other liens encumbering such Unit at the time of the recording of its conveyance to the trustee by the Unit Owner. All mortgages and other liens upon the respective Units shall be fully released and discharged as provided herein, even though the share of a particular Unit in said funds is insufficient to pay all liens in full; and in such event the lienholders who had priority against the title to the Unit shall have priority of payment of the Unit's share of the Common Surplus.

C. Nothing herein provided shall in any way relieve the Unit Owner of his personal liability for any deficiency which may remain upon any liens which encumbered his Unit at the time of his conveyance to the trustee. Mortgagees and other lienholders will evidence their acceptance and consent to the foregoing provisions by the acceptance of their Mortgage or perfection of their liens.

D. The provisions of this Article may be enforced by injunction, by suit for specific performance, or by other appropriate remedy upon suit filed by the Association in a court of competent jurisdiction.

ARTICLE XVIII
INSURANCE

A. The Association shall cause all buildings and improvements constructed upon or within the Unit boundaries to be insured in an amount equal to the maximum insurable replacement value, excluding foundation and excavation costs, naming the Association, the Unit Owners and mortgagees of record as their interests may appear. Such coverage shall afford protection against:

1. Loss or damage by fire or other hazards covered by a standard extended coverage endorsement;
2. Flood insurance, if required; and
3. Such other risks as from time to time shall be customarily covered with respect to buildings similar in construction, location and use as the buildings on the land,

O.R. 1607 PG 1365

including but not limited to, vandalism and malicious mischief.

B. In addition, the Association shall provide and purchase insurance relative to the following:

1. All buildings and improvements upon the Common Elements and all personal property of the Association or included as part of the Common Elements shall be insured in an amount equal to the maximum insurable replacement value, excluding foundation and excavation costs as determined annually by the Board of Directors of the Association. Such coverage shall afford protection against:

(a) Loss or damage by fire and other hazards covered by a standard extended coverage endorsement;

(b) Flood insurance, if required; and

(c) Such other risks as from time to time shall be customarily covered with respect to buildings similar in construction, location and use as the buildings on the land, including but not limited to, vandalism and malicious mischief.

2. Public liability insurance regarding the Common Elements shall be carried in such amounts and with such coverage as shall be required by the Board of Directors of the Association, including but not limited to, hired automobile and non-owned automobile coverages, and with cross liability endorsement to cover liabilities of the Unit Owners as a group, to a Unit Owner.

3. Workmens' compensation insurance shall be carried to meet the requirements of the law.

4. The Association shall carry such other insurance as the Board of Directors shall determine from time to time to be desirable.

C. Public liability insurance regarding the Units (and structures located thereon) and other property insurance regarding said Units and structures thereon (except as provided in paragraph A above) may be purchased at the sole cost and expense of individual Owners.

D. Premiums for insurance policies purchased by the Association shall be paid by the Association as a Common Expense, except that the amount of increase in the premium occasioned by misuse, occupancy or abandonment of any one (1) or more Units or their appurtenances or of the Common Elements by particular Unit Owners shall be assessed against and paid by such Owners. Premiums may be financed in such manner as the Board of Directors shall deem appropriate.

ARTICLE XIX
RECONSTRUCTION AND REPAIR AFTER CASUALTY

A. If any part of the Condominium Property shall be damaged by casualty, it shall be constructed or repaired immediately unless it is determined in the manner elsewhere provided that the Condominium shall be terminated.

B. The Association shall be responsible for repair and reconstruction after casualty to the Condominium Property.

C. Any reconstruction or repair must be substantially in accordance with the original plans and specifications for such improvements or, if not, then according to plans and specifications approved by the Board of Directors of the Association and Institutional First Mortgagees holding Mortgages on the Units involved.

D. Immediately after a casualty causing damage to property for which the Association has the responsibility of maintenance and repair, the Association shall obtain reliable and detailed estimates of the costs to rebuild or repair.

E. In the case of damage or destruction to the Common Elements, if the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair by the Association or, if at any time during reconstruction and repair the funds for the payment of the costs thereof are insufficient, Assessments shall be made by the Association against all Unit Owners in sufficient amounts to provide funds for payment of those costs.

F. In the case of damage or destruction to the dwellings located on or within the Unit boundaries, if the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair by the Association, or if at any time during reconstruction and repair the funds for the payment of the costs thereof are insufficient, Assessments shall be made by the Association against the Unit Owners who own the damaged dwellings in sufficient amounts to provide funds for payment of those costs.

G. In the case of damage or destruction to property for which the Association has the responsibility for repair and reconstruction, the funds for payment of costs of reconstruction and repair after casualty, which shall consist of proceeds of insurance and funds collected by the Association from Assessments against Unit Owners, if any, shall be disbursed in payment of such costs in the manner required by the Board of Directors of the Association.

H. In the event of a destruction or casualty loss to any of the Condominium Property for which the Association has the responsibility for maintenance and repair, all insurance proceeds payable under the policies shall be collected by the Association Treasurer. If said proceeds are in excess of TEN THOUSAND DOLLARS (\$10,000.00), they shall be immediately paid over to a banking corporation having trust powers and selected by the Board of Directors, to be held by such bank in trust to be used for the immediate repair and reconstruction of the damaged improvements under the supervision and control of the Association Board of Directors.

I. The Association is irrevocably appointed agent for each Unit Owner and for each owner of a mortgage or other lien upon a Unit and for each owner of any other interest in the Condominium Property, to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

ARTICLE XXII
GENERAL PROVISIONS

A. If any provision of this Declaration, the Articles, the Bylaws or the Condominium Act, or any section, sentence, clause, phrase or word, or the application thereof, in any circumstances is held invalid, the validity of the remainder of this Declaration, the Articles, the Bylaws, or the Condominium Act, and the application of any such invalid provision, section, sentence, clause, phrase, or word in other circumstances shall not be affected thereby.

B. If the Developer holds Units for sale in the ordinary course of business, none of the following actions may be taken without the Developer's written approval:

1. Assessment of the Developer as a Unit Owner for capital improvements, and

All notices shall be deemed and considered sent when mailed in such manner. Any party may change his or its mailing address by written notice to the other party.

D. The failure of the Developer, or the Association, or any Unit Owner to enforce any covenant, restriction or other provision of the Condominium Act, this Declaration, the Articles of Incorporation of the Association, the Bylaws, or the Rules and Regulations adopted pursuant thereto, shall not constitute a waiver of the right to do so thereafter.

O.R. 1607 PG 1368

E. The remedy for violation provided by the Condominium Act shall be in full force and effect. In addition thereto, should the Association find it necessary to institute legal action against a Unit Owner other than Developer to enforce compliance with the Condominium Act, this Declaration, the Articles or the Bylaws, or the Association's Rules and Regulations, upon a finding by a court in favor of the Association, the defendant Unit Owner shall reimburse the Association for its costs of suit, including reasonable attorney's fees at both trial and appellate level, incurred by it in bringing such action.
